

DATA SHEET: COLORTONE SUPER PAINT STRIPPER

Product: Super Paint Stripper (Exterior & Interior)

Colours: n/a

Available sizes: 500ml, 1lt and 5 litres

Finish: n/a

Description:

Colortone Super Paint Stripper is a lead-free, easy-to-use, brush-on scrape-off gel used to prepare various surfaces for resurfacing.

Colortone Super Paint Stripper can be applied on wood, metal and stone surfaces coated with acrylics, oils, varnishes, and lacquers.

APPLICATION

Super Paint Stripper application:

- **Stir** the Super Paint Stripper contents **well** before use
- Using a paintbrush apply a coat of Super Paint Stripper and allow the surface to bubble for 10-15 minutes
- Thereafter, scrape off the bubbled surface with a paint scraper or stripping knife.
- After scraping, wash all surfaces thoroughly with water
- Clean brush with water
- Ensure surfaces are dry before application of a further coating
- **Pro tip:** Do not apply in hot conditions and ensure plenty of ventilation if applied indoors
- Approx. coverage is 6m² per litre

HEALTH & SAFETY

- Flammable and corrosive
- Keep out of reach of children
- Keep the container sealed when not in use
- Store in a cool dry area
- If skin or eye contact is made, wash thoroughly with water
- Ensure protective gear / PPE is worn i.e., gloves
